# *Terms and Conditions of Sale*

**TERMS**—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale, unless calfhood vaccinated and under 24 months of age. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if, after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other females sold are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, nor the Clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

All footnotes were written by the consignors.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

★**GLATWYN RUTH 3d x2852-117.** We don't necessarily want to sell many Glatwyn Leader heifers because of the way they nick with Broadway Hallmark, and when we offer one we don't want to be ashamed of her. I don't think we need have any fears about this one. She is a full sister to the roan two-year old heifer in our show herd last year and is a lot like her in all respects. She is an attractive roan with that typical Leader character and doing ability about her. She is a typey, thick, beefy heifer all the way. If you are needing a summer heifer to show, here she is. Come and see her full sister and the calf she is nursing. This heifer will make a cow just like her. Calfhood vaccinated. Sells open.

★**G E FRUITLAWN WILELLA x2825-204.** Here is a daughter of Glatwyn Elect x that looks every inch the making of a great brood cow. She is one I would like to gamble on, as she is deep, shortlegged, smooth, very mellow and thick in her fleshing and—very important—is feminine and has a lot of that brood cow character. She is bred to be a good cow. She can hardly miss being a valuable and profitable addition to any herd. She is way along in calf, having been bred to Broadway Hallmark x since December 22, 1955. We wish that everyone could see the Hallmark calves on the farm before these heifers are offered for sale. Calfhood vaccinated.

★**G E ROYAL LASSIE x2825-206.** A good dark roan daughter of Glatwyn Elect x, champion and top selling bull in an Indiana State sale. He is siring a lot of uniformly good calves for Ralph Cross, Emden, Illinois. This heifer is smooth, and feminine and looks like a good brood cow should. We feel that a great deal of her value lies in the fact that she is in calf to Broadway Hallmark x, the 1955 International Reserve Grand Champion, since December 21, 1955. You will not have to wait long to get a calf that should more than pay its way. Calfhood-vaccinated.

★**G E CHARITY LASS 2nd x2825-198.** These Glatwyn Elect x calves are all very much alike, and they are beef cattle. Here is a good, deep heifer that carries her thickness all the way and will just keep getting better as she develops. These heifers have run out in the lots with a lot of roughage and exercise all winter and will get better every day. This one was bred to Broadway Hallmark on January 2, 1956, so she is way along in calf. If someone would just buy all these Glatwyn Elect heifers bred to Hallmark, he could just about plan to have a calf or two that could go to any show or sale in the land and give them all a rough time. Calfhood vaccinated.

Other sons of Orange Blossom Lady have been dehorner in horned herds. Orange Blossom Lady was the high selling female in a former "Parade of Stars" sale. She is also the dam of our senior show heifer calf this year. She is a very heavy milker.
